THE BIRD CONTROL "X-PERTS"

Targets • CROWS • CORMORANTS • RAVENS • BLACKBIRDS

• GRACKLES

• PLUS 3 PREDATOR CRIES

### ACTUAL DISTRESS CRIES Choose any or all of 8 sounds.

including predators to give the birds even more of a sense of danger. Then customize by choosing volume and silent time between sounds.

### HARMLESS

Super BirdXPeller PRO uses occasional natural sounds to chase away the birds, but it doesn't harm them.

## **HEAVY-DUTY**

**Sturdy control box** and four powerful speakers designed to last in an outdoor environment.

### **EASY OPERATION**

Keep the control box close at hand, and use the 100' cords to place the speakers **wherever the birds are.** Use 110vAC electricity or 12vDC batterv.
